

Treasury Offices

In every District, there is a district treasury controller office under FCGO.

DTCO works as a representative of FCGO in the district and performs the following tasks:

- Releases budget to all payment centers of the district as per order of their line ministries.
- Collects the statement of expenditure from all the payment centers and prepares periodic reports the concern ministries.
- Conducts the internal audit of the released budget and its expenditure.
- Prepares the annual statement of budget release, expenditure, revenue collection and retention money etc. of the respective district.
