## **3. Position of Cash Flow**

- 3.1 According to the statement of Nepal Rastra Bank, cash balance of Nepal government was Rs. 3,946.4 million at the end of FY 2007/08, where there was Rs. 3,122.5 million cash balance at the end of last FY. This cash flow is based on weekly Treasury position shown by N.R.B.

- 3.2 Although, after the implementation of fund reimbursement release system the unspent cash balances remaining at government offices improved smoothly the trend of cash balance of budget at the last FY it was increased to Rs. 638.5 million during FY 2007/08. The cash balances were Rs. 490.10 million and Rs. 308.10 million during FY 2005/06 and FY 2006/07 respectively.
- 3.3 In reality cash flow of government based on consolidated fund is not inspiring. Accumulated loss has been increased every year. The total negative worth of cash flow is Rs 35248.82 million out of this Rs. 8534.42 million rupees was incurred during this reported fiscal year

### **Accounting Principles and Assumptions**

- 1 The revenue and expenditure of the government are recorded and reported using cash accounting principle. This principle assumes all cash receipts into the consolidated fund account as revenue and all cash payments against a budget head as expenditure.
- 1 The reported revenue and expenditure include only those that affect the consolidated fund account of the government and the heads that were approved by the Parliament through the Appropriation Act and the passage of Budget Speech.
- 2 The sum of expenditure also includes advance amount during the year that remained unsettled until the last day of the fiscal year. The Outstanding advances amounting to Rs. 4343.03 millions includes within the total expenditure of Rs. 161349.89 million
- 3 The reported expenditure also includes payments for accrued expenses of the previous year according to Financial Procedure Regulations 2064, 40(8) & (9).
- 4 The reported revenue is the amount of collection in the government bank accounts. The deposited amount is used on the basis of cash accounting principle.
- 5 In the case of block grant given to local bodies and public corporations, the release money is considered as expenditure.
- 6 The expenditure figures are obtained from two sources for consolidation, namely District Treasury and Controller Offices (DTCOs) and concerned Ministries are reconciled at the FCGO. Wherever the figures did not reconciled, FCGO relies on the DTCO figures because they record the expenditures and also carry out the internal audit.
- 7 Source wise Expenditure is based on District Treasury Office. Where possible, it is reconciled with Ministries.
- 8 In case of Direct Payments and Commodity grants, wherever the line-item of the expenditure was not clarified by the reporting entities, FCGO used the line-item shown in the Budget Statement (the Red Book).
- 9 The non-cash expenditures (Direct Payments and Commodity Grants by the development partners) are not recorded in government accounts. These figures are consolidated from

Ministries and Projects. FCGO does not have any means of verifying whether any item of expenditure was incurred but was not reported.

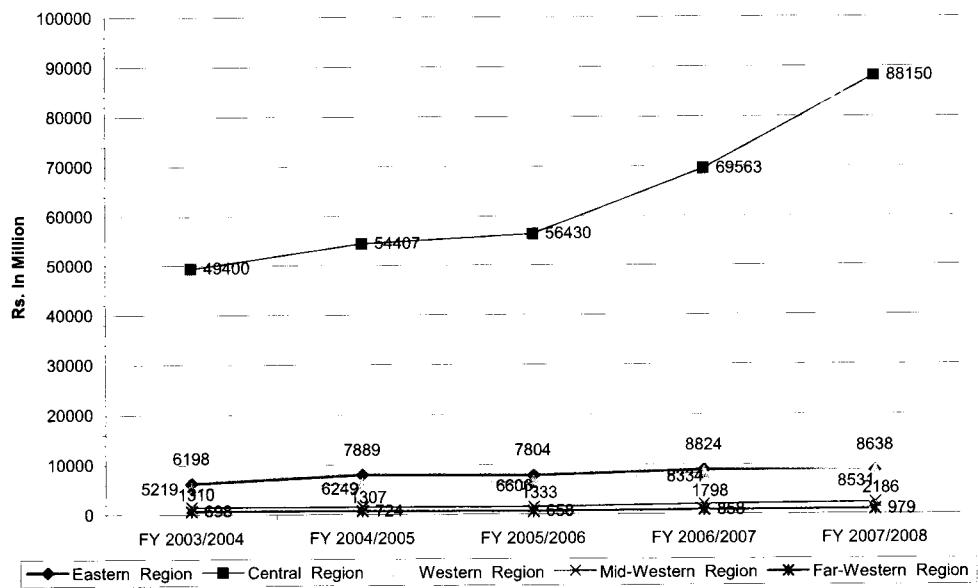

- 10 In case where ministries have reported different amount for release and expenditure from non-cash sources, the release amount is treated as expenditure.
- 11 Although there is no provision in the rules, offices often lend money from one budget head to other budget head within the office or to other offices. In order to avoid the double accounting of the expenditure, cash balance has been shown in lending budget head and actual expenditure has been reported in the borrowing budget head.
- 12 For the expenditures incurred in foreign currency the conversion is done on the rates prevailing on the value date. Wherever the value date could not be ascertained, rate prevailing at the year-end has been taken as the basis.
- 13 Since FY 2004/05, appropriated budget in development programs of all districts of Karnali Zone and Bajura districts cannot be returned to DTCO at the end of the fiscal year hence the record of release balance and freeze accounts are reported as per DTCO.
- 14 The imprest amount released from DTCO Sindhupalchok to Budget Head 40-3-330 and 70-3-167 did not report. This amount was not reconciled.
- 15 Due to the critical situation in Tarai, the financial records are maintained as utmost records provided by the concerned DTCOs.

Note: The development expenditure figure of Kathmandu & some other DTCO includes direct payments and commodity grants given by donor. Although incidence of such expenditures is on several districts the same have been mostly located to Kathmandu because of difficulty of tracing the expenditure of districts. As a result development expenditure in Kathmandu appears unusually high. The total annual figure of district payment and commodity grants etc.
